

## User Consent Form (Example Template)

We are conducting an HPI Research Study on *(put sample research question)*. This task is part of work in the area of *(put name of your research topic)*.

### Procedures:

The study is comprised of two parts. In the first part, you will fill out a 5-minute survey for a payment of X *(this is not obligatory)*. We will email you to comeback in a few days to log in again and fill out another survey, in the second part of the study, for a Y bonus payment. This should also take about 5 minutes.

*Please do not submit the form multiple times, as you will not be paid if you participate in this study more than once. If the study website tells you that you have participated before, please do not proceed with the survey.*

*When you have completed the study, enter your completion code to submit your work for approval and payment.*

### Participant Requirements:

Participation in this study is limited to individuals who are at least 18 years old.

### Risks:

The risks and discomforts involved in participating in this study are no greater than those usually encountered in daily life or during other online activities.
